

The **Hard Pills** To Swallow In Affiliate Marketing

In this PDF document, we are going through each of these 'hard pills' when it comes to affiliate marketing...Common misconceptions and myths when it comes to building an online business....

Let's dive into each 'pill'....!

It's Going To Take Money – Hate to say it, but if you think this is going to be a free ride, think again! But there is good news...Building an affiliate marketing business does NOT cost a fortune!

Content Marketing Is A Must – Build your list and BUILD YOUR BRAND! And there is no better way to build your brand and get people to know, like and trust you then...Creating content!

It's Going To Be A Lot Of Work & Effort – Again, if someone is trying to sell you on the idea that it's easy and won't take any effort...Run away! This is a BUSINESS and businesses require effort and dedicated work!

Relationships Are Your Biggest Asset – Remember, people do business with those they know, like and trust...So the more people get to know you, and you add value to the relationship...You will become a success!

Most Will Give Up In 3 Months – *Or less!* The 'Internet Marketing Vortex of Doom' is real. People join projects, give up, join another, give up...Almost on schedule! Don't be a statistic...Stay the course!

You Won't Get Rich In 30 Days or Less – Again, if someone is pitching you this...Run away! You are building a business and businesses, *legit businesses*, take years to develop.

Building Your Email List Is Priority #1 – The money is in the list. The fortune is in the follow up! Nothing but facts...And nothing to debate. Those that put off building lists, never achieve success!

If People 'Hate On You', You Are On The Right Path – Churchill famously said and we're paraphrasing...*'If you have someone that hates you, it means you have stood up for something in your life'*. Welcome to haters. They become fuel to your determination!

You Can Never Stop Learning – How big is your TV compared to your personal library? Jim Rohn famously said that those that find the most success have huge personal libraries and are always learning. Those with the big TV's...Well...!

Consistency Is Key – Keep on, keeping on! The secret to all this stuff is to take action, everyday! And continue the next day, and the next, and the next, and the next, and the next.....
